

NOTICE OF LIMITED LOBBY ACCESS

To further protect our customers and staff as a result of the COVID-19 pandemic, we have found it necessary to limit lobby access. Please use the following services:

- For deposits, payments and other transactions please use our drive-up or night depository.
- Cash can be obtained from any ATM. We will waive the transaction fee.

Note: If you obtain cash at an ATM that is not owned by Bank of the Rockies you may be subject to their fees.

- Remember you have 24/7 access to your accounts through our On-Line Banking and Mobile Banking Services.
- Our staff remains available to help you with any other banking needs including opening a new account and loan services. Please contact your local branch to speak with a representative.

Appointments will be scheduled as needed.

- Our goal is to reach out to all of our customers over the upcoming weeks to touch base and make sure we are providing the best service possible under these trying circumstances but please do not hesitate to contact us if you need immediate assistance.

Thank you for your cooperation and understanding.
