

BOTR is proud to partner with the State of Montana's Department of Health and Human Services and local Health Officials in the communities we serve to bring you several in-bank COVID-19 Vaccination Clinics.

Governor Gianforte issued a call to action to Montana's banks to help increase the vaccination rates across the state. Bank of the Rockies has answered that call by working to facilitate clinics in nearly every community they serve.

For more information on the currently scheduled clinics, please check our "Events" tab.
